We Dedicate

We the students of St. Clair High School, wish to dedicate our 1958 Clairvoyant to Miss Katherine Balfour, for her many years of faithful service for both the school and community. Miss Balfour has been a life-long resident of St. Clair. Upon completing her college training, she returned to St. Clair where she has been teaching Homemaking and math for the past 21 years. Miss Balfour has been one of the class advisors for the Class of 1958 ever since their Freshman year. Her many hours of faithful service has won her the esteem and love of both faculty members and students of St. Clair High School. It is with great honor that we dedicate this 1958 Clairvoyant to Miss Katherine Balfour.

EDITOR'S MESSAGE

With the publication of the 1957-1958 Clairvoyant, we, the Editors and staff, would like to express our appreciation to the many people whose time and effort went into making this yearbook possible. Without the full support of the student body, the faculty, and the citizens of St. Clair, this yearbook would never been possible.

Pep Meetings

Football Season

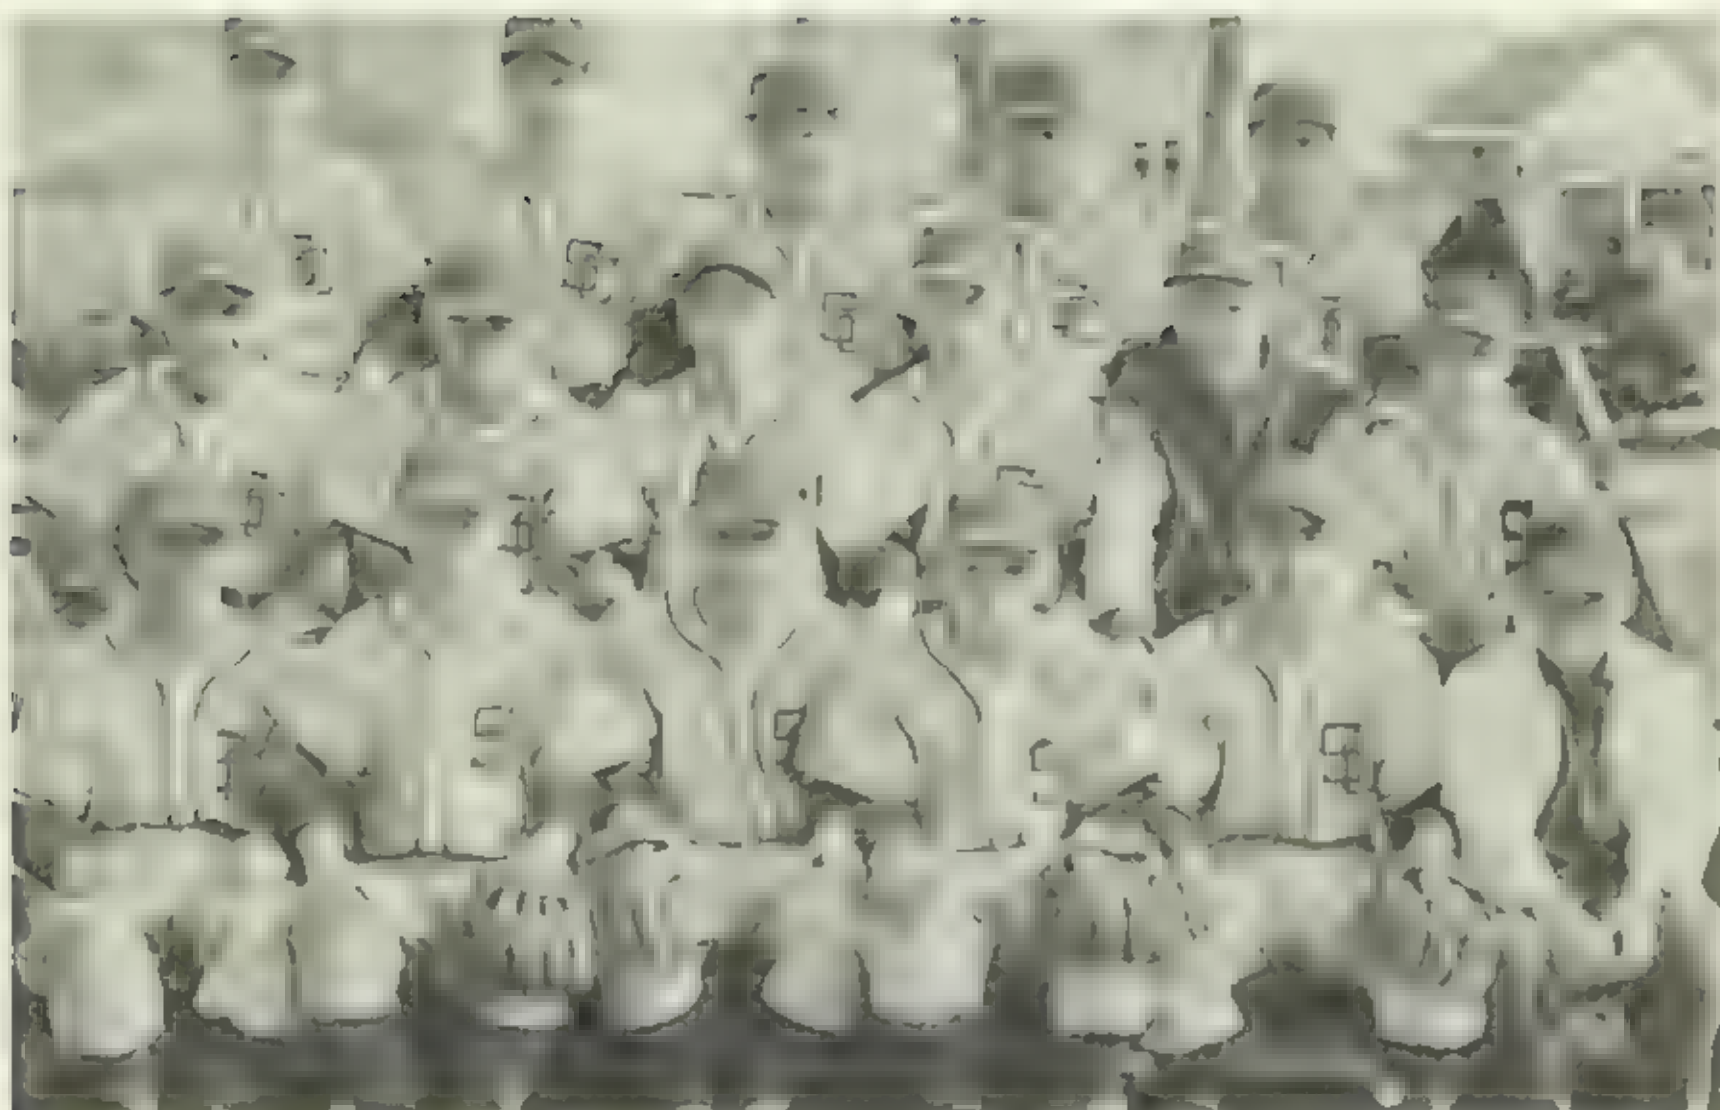

Basketball

Although St. Clair did not win the league championship in Basketball the team again showed excellent play throughout the season. A complete resume¹ of the season was not available at this writing but it can be pointed out that the Saints reached the high points in play various times during the season. A important victory took place early in the season when the Saints downed Marysville in overtime at Marysville. The Saints also dumped Marine City later on in the season at St. Clair. Although the Saints will have a nice nucleus to work on next year several players will be missed because of graduation. Among them are: BOB LAIRD, TOM SHICKER, DAVE BLANCHARD, JIM FOSTER, AND JIM EDGETTE.

St. Clair will enter next season with hopes of winning a championship in a newly aligned league. The addition of Yale and Croswell-Lexington should make for an interesting season.

THE SPORTS YEAR

FOOTBALL	The Saints won 4 lost 3 and tied one during the season. Large nucleus back next year. Attendance during the year was good. Yale and Croswell-Lexington should be interesting in the future although they will not compete in football until '59 - '60 season. <u>Coach-Charles Cotton.</u>
BASKETBALL	Third place in the conference. Lost in upset during district tournament. New uniforms; new season. <u>Coach-Charles Cotton.</u>
BASEBALL	Won the League Championship. Lost only two games all season. Good pitching staff for the next couple of years. Should be strong again next year. <u>Coach-Robert Bolla.</u>
TRACK	A small squad this year but did well with the material on hand. Entered the Central Michigan Relays for the first time. <u>Coach-Ed. Bengston.</u>
GOLF	Won the league championship. Played in the state finals. One of the finest teams St. Clair has ever had. Nice group of boys back next year. <u>Coach-Boris Paaanen.</u>
TENNIS	Won the league championship for the third straight year. Placed second in the state regional at Cranbrook. Entire team will be back next year. <u>Coach-Charles Lutz.</u>

GENERAL SPORTS SUMMARY

Winning three championships you would have to call the season a success. Throughout the year St. Clair Athletes conducted themselves like gentlemen. With the outlook in Basketball and Football better, the chances for another good season is bright.
